**Spring IPE Event**

**April 15, 2021 5:30–6:30 p.m.**

**Online Training Facilitators: Dr. Lori Porter, Carly Skinner, Harriet Legan, and Kara Kerns**

Communication and Teamwork are important interprofessional competencies. Students will engage in a clinical case study highlighting communication and teamwork. Before the event, students will complete pre-readings of a clinical case study and articles related to teamwork and communication. At the event, facilitators will guide a discussion using questions directed toward teamwork and communication relative to the clinical case study.
